## For slip repairs on Left Fork of Cow Creek Road

The Kentucky Transportation Cabinet today announced that the Owsley County Fiscal Court will receive $34,100 in County Road Aid emergency funds. These funds will be used for slip repairs on Left Fork of Cow Creek Road (CR 1045).

"It is important that we help cities and counties fund emergency repairs to local roadways, because those routes are vital links in the state's transportation network," Transportation Secretary Mike Hancock said. "Solid transportation infrastructure is vital in Owsley County and across the Commonwealth."

# OUTDOOR TRUTHS

by GARY MILLER

Even though a friend took me on my first turkey hunt, my first kill came while hunting alone. That morning I remember that my tools of the trade amounted to a Lynch box call and a ten gauge H and R shotgun. No slate calls and definitely no mouth calls. I can also remember moving from place to place on this farm without having much confidence. Late in the morning I made my way to an area that was known to hold deer. I crossed a hay field and crawled under a barbed wire fence before giving that box call another go. As soon as I slid the lid of that call across the box, I heard a turkey to my left. I didn't even recognize at the time that it was a jake. But it really didn't matter to me. My heart started beating like I was drawing my bow back on a deer but this was even stronger because of its newness. The turkey came running and soon was in front of me but it couldn't see me because of a log that was lying parallel to the ground. I could see its legs as it walked but I wasn't able to shoot until it cleared the log. In a few seconds it was over.

I'm so thankful that someone took me on my first turkey hunt. I watched, listened, and soaked in as much information as I could. And even though the excitement ran high, I knew I had to temper it in order to learn. My guide would not always be with me. As in most areas of our life there comes a time when we have to step out from the security of the teacher and into the risky business of going alone. It can be a time of trial and error but it is nevertheless necessary if we are going to stretch ourselves into new and exciting arenas.

I think about my daughter. When she was only a young teenager, she would get a cookbook and try to recreate the delicacy on the page. If she didn't know what a particular ingredient was, or if we didn't have it, she would substitute it with something of her choosing. Many times, maybe even most of the time, the results were not that good. But what I was most proud of was the fact that she was not satisfied to set on the sideline until someone helped her. She decided she would try it on her own.

Friends, some of you have had the best teacher but now it's time to go out alone. If you keep letting the fear of failure stop you, you'll never get the opportunity to see if failure itself stands a chance against you.

## IS DEBT THE REAL CRISIS?

# Preachers Point

by
Timothy Johnson

THE SUFFERINGS OF CHRIST – (24 FEB 14)

When my father-in-law was about my age he slipped on the ice and broke his hip. I took a spill on the ice yesterday evening and unlike dear old dad, I did not break any bones. It did hurt, I didn't get a good night's sleep and I ache all over today but I'm fine; the incident won't stop me from doing anything and tomorrow or the next day I'll never know it happened.

Throughout my life I've heard people complain about a lot less and I know people who suffer far greater things than a tumble on the ice that never utter a word about it. As you read this I'm sure there are faces of people from both groups going through your mind.

Suffering may be a relative term. I think of my rough night of sleep and the aches and pains of today more of an inconvenience; I don't think of it as suffering at all, yet, there is a sleep aid commercial that starts with the question, "Do you occasionally suffer from a difficult night's sleep?"

There is one thing certain about suffering, Jesus Christ suffered for all of us, not only as an example but as a substitute. He suffered on our behalf and He also suffered in our place. "For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh, but quickened by the Spirit." – 1 Peter 3:18. Because of our sins He suffered in the garden of Gethsemane, "And being in an agony he prayed more earnestly: and his sweat was as it were great drops of blood falling down to the ground" (Luke 22:44).

Because of our sins He suffered at the hands of the whip and humiliation, "I gave my back to the smiters, and my cheeks to them that plucked off the hair: I hid not my face from shame and spitting" (Isaiah 50:6).

The whip the Romans used on Christ was a cat of nine tails. It was made with nine straps of leather. Interwoven into the leather were pieces of glass, rock and iron. When the leather straps hit the flesh the pieces of glass, rock and iron would cut or even embed into the flesh. When embedding would occur which would be on nearly every one of the thirty-nine strokes Christ received, the whip would need to be yanked to get it out of His back, causing a rip or tear in the flesh.

He was nailed to a cross because of our sins, our sins were placed upon Him and He took our place. "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all" (Isaiah 53:5-6).

We all suffer in life, some more than others. Why do some suffer more than others? Some specific answers we will never know. Why did my father-in-law slip on the ice and break a hip and why did I only get a day or two of aches and pains? While on this earth; I'm afraid we will never know.

The sufferings of Christ however, can bring forgiveness, peace, redemption, salvation, joy and meaning to our lives. He suffered in our place, on our behalf and what He asks from us is to put our trust in Him (John 3:16, Ephesians 2:8-9).

To sum it all up I'll leave you all with the words of St. Peter, from 1 Peter 1:18-19, "Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers; but with the precious blood of Christ, as of a lamb without blemish and without spot."

## Owsley vs Lee

The second game of the night was the Owsley County Lady Owls and the Lee County Lady Kats. The host team started out on a scoring streak scoring the first 4 points of the game before the Lady Owls decided to get into the game. The Lady Owls began scoring but turnovers hurt them early in the game. They ended up behind by 3 at the end of the first quarter.

The 2nd quarter started out with the Lady Owls and the Lady Kats swapping baskets, but the Lady Kats went on a 10-0 run the last 4 minutes of the quarter to end the half with a 12 point lead.

The Lady Owls came out of the halftime break ready to play ball. They started the 3rd with a scoring streak and cut the lead to 7 and continued to hammer at the lead until they had the lead cut to 5 by the beginning of the 4th.

By the middle of the 4th, the Lady Owls were down by 1, senior Chelsei Hall was taking the ball down the floor and it appeared she was fouled but no call was made. Coach Charlie Davidson was livid and slammed the basketball and received a technical foul. The Lady Kats shot and made their two free throws which put them up by 3. The game became close again a couple more times, within 1-2 but the Lady Owls just couldn't pull it out and fell to the Lady Kats by a final score of: Owsley 48 – Lee 52. Individual Scoring for Owsley: Chelsi Handshoe – 16 points; Ronni Bennett – 11 points; Alyssa McIntosh – 8 points; Maci Gibson – 7 points; Jamie Becknell – 3 points and Autumn Cope – 3 points.

**Owsley Board Meeting**

# Owsley Elementary Recognized For 1st Place Overall Achievement in Sumdog Math

At the Owsley County Board of Education Meeting, the Owsley County Elementary School was recognized for their 1st Place Overall Achievement in Sumdog Math. Three of the Owsley County Students, three students placed in the top 10 in the state of Kentucky, 1st place was Kerissa Shouse; 5th place – Jamie Price; 8th Place – Cody Keller. All three students were given certificates from the Sumdog math competition along with a large sign to put up in the elementary for their achievement.

Paul Green, DPP/ Chief Academic Officer discussed the school calendar with the board. As of the February 11, 2014 board meeting, 93 days of school had been attended; with 10 made up (virtual) days; 72 days left. A new law on election days law – cannot attend school, on the calendar, May 22nd was a make-up day, so if there is no school on that day, with the 27th day of May being the last day of school. (This was providing there was no more snow days, but there was more snow days after the board meeting!). Mr. Green ask the board if they wanted to go ahead and vote on the amended calendar or wait. No motion was made at this time on the agenda.

Stacey Davidson, OCHS Facilitator of Student Achievement discussed the Strategic Plan for Owsley County School District. Eighty three people were in attendance at the meeting and discussed the goals and voted on the goals and priorities that the school district should work toward. The district then came together and began a leadership team and put the goals that the community members voted on and came up with four strategic goals to work on in the next 3-5 years.

KISBIT – Dr. Bobrowski stated that there were approximately 100 schools filing lawsuits on KISBIT on their assurance values. They are asking for at least 100 schools to go in and get involved in the lawsuit for at least $350 per district per average. Dr. Bobrowski stated that if the board owed, for example $100,000 and it was reduced to $90,000 and we spent $350 we saved at least that much, but he couldn't guarantee anything. Board Member Scotty Combs stated that at the board members meeting last week he had heard that it wouldn't stay the same, that if this lawsuit continued and if KISBIT won, their legal fees would also be attached and it would go higher. Board member Brenda Gibson asked what the lawsuit was looking for. Dr. Bobrowski stated that the superintendents concern was they could never get a set amount that was owed to KISBIT, what is the actual number. Jerry McIntosh, finance officer stated that at one point, they were quoted the approximate amount of $150,000. Dr. Bobrowski stated come July 1 the school district will have to write a check to someone. Board member Joyce Campbell ask Dr. Bobrowski what his recommendation was, he stated it cost us $350 and it may cost us an additional $950. I think we should roll the dice and put pressure on them because of we don't, it could be a 20 year drawn out year of cutting checks of $10,000-$12,000 per year. A lengthy discussion was held on this issue. The board ask the superintendent to get more info in the subject before a decision was made.

# Eastside Apartment News

by Ruby Callahan

Hello from Eastside! I'm sorry I have missed writing in the past couple of weeks. I have been sick and have had to go to the doctor. He gave me some medicine and I am feeling better now.

We sure are sorry to hear of so much sickness and the loss of loved ones in our community. We need to keep everyone in our prayers.

My son in law; Ray, lost a cousin named Jennifer. She was the daughter of Eddie and Ida Mosley.

Brother Earl Seale's family needs prayer for his wife who was in the hospital but is home now. His daughter Susie's husband has had another heart attack and will be having surgery soon. We have had several days of Spring like weather but Winter isn't over yet. We have a week of cold temps and snow showers. We have been blessed by not having the severe weather that other places have had. Keep them in your prayers also.

Last Friday we had my grandson Michael a surprise birthday party for his 11th birthday. His biggest surprise was a video game that came a few days earlier than expected. My grand daughter Shaleena wanted me to tell everyone she likes games and Monster High dolls like she got for Christmas. She also has a large doll that can wear real baby sleepers.

Bible verse: Matthew 6:28-29, 34

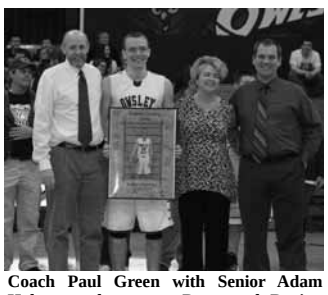

28. And why take ye thought for raiment? Consider the lilies of the field how they grow; they toil not; neither do they spin.
29. And yet I say unto you that even Solomon in all his glory was not arrayed like one of these.
34. Take there fore no thought for the morrow; for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Kindness is just a little seed
Just plant it in the ground
Yes scatter lots of it about
And happiness abounds
Just give someone a great big smile
Before the day is through
And you'll find someone in life's crowd
Who'll smile right back at you
So let us all with one accord
Be kindly everyday
And do it in the Lord's good name
He'll help us all the way.

Family of Raymond Long

## Thank you

The family of Thomas Wade Minter would like to thank everyone who called, visited, brought food, sent flowers and cards, donated to Youth Haven Bible Camp (KY Mountain Missions) in Wade's memory, and remembered the family in prayer during our time of loss. We are grateful for your thoughtfulness during this difficult time and appreciate you more than you know.

A special extended thanks to Wade's uncle; Tim Marshall, William Owens, and staff of Youth Haven. We don't know how we could of made it without you. Tim, you were there with the family through some of the most difficult times, and you were our anchor. Your presence brought comfort to all of us. William, you were Wade's pastor and friend. You provided the encouragement, comfort, and spiritual guidance we all needed to make it through this time. Your compassion and love for Wade (and his love for you) will always be remembered. Steve Smith and Scottie Brandenburg, along with all Wade's other friends and mentors from Youth Haven, we are indebted to you for all you have done, not just during this trying period, but also over the last 30+ years. You brought such life and joy to Wade that if we had a thousand years, we couldn't repay you. Thank you all so very much.

1 Corinthians 15:22 "For as in Adam all die, even so in Christ shall all be made alive."

# Love Yourself Day

On Wednesday, February 19th, 2014, the Owsley County Cancer Awareness Coalition hosted "Love Yourself Day" at the Owsley County Senior Citizens Center. The Owsley County Health Center provided blood pressure screening and other health information. The Owsley County Medical Clinic also provided blood sugar screenings and other diabetes related information. The following organizations and businesses provided exhibits & educational materials: Sherrie Tincher – Owsley County Health Care Center; Kristie Wilder – Owsley County Drug Awareness Council; Natasha Lucas – Owsley County Extension Service; Beth Allen - Senior Circle @ KY River Medical Clinic; B + H Apothecary; Susie Lacefield – Owsley Co. Food Place; Doug Kraft – Buckhorn Children & Family Services.

Door prizes were provided by coalition members and exhibitors. A healthy delicious lunch consisting of pinto beans, cornbread, and greens was provided by the Owsley County Senior Citizens Center. After lunch, the participants enjoyed a beautiful cake made by Judy Amburgy and provided by the Cancer Coalition.

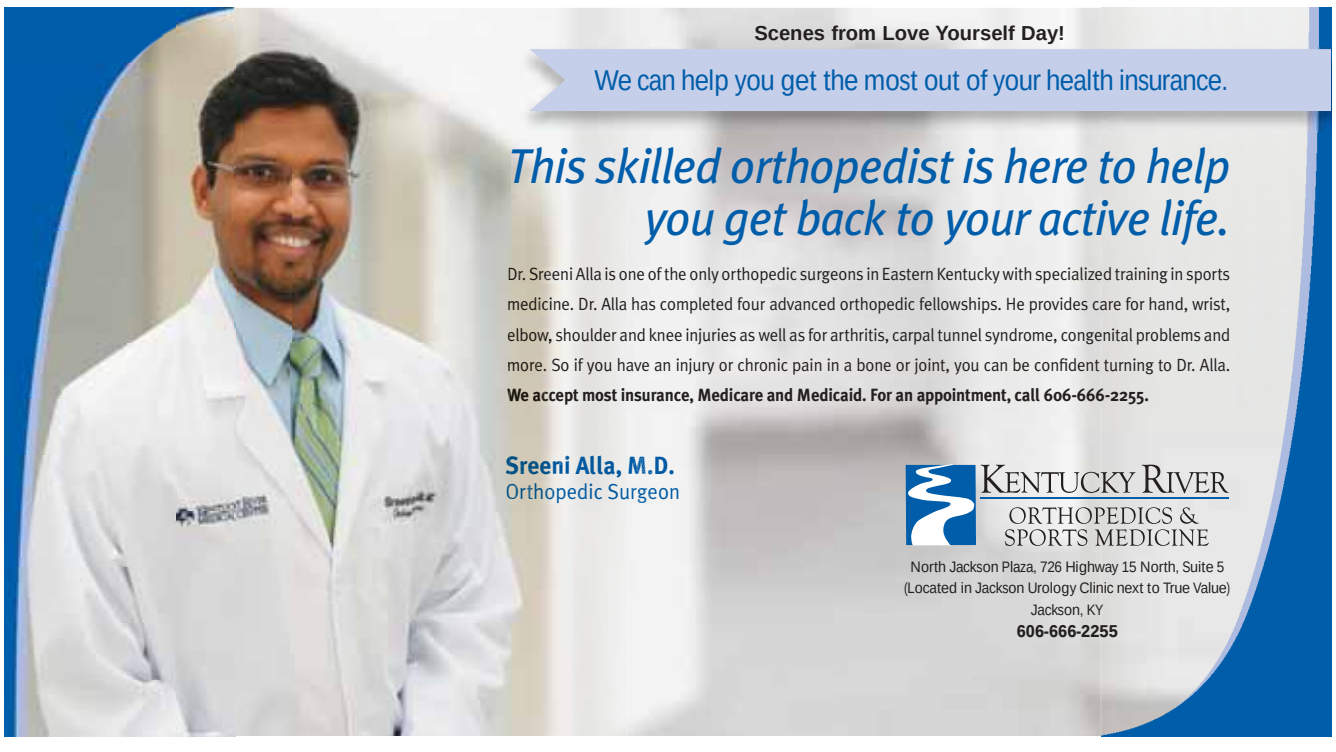

Approximately fifty-two (52) individuals enjoyed the event. Thanks to the Owsley County Senior Citizens Center for allowing us to use their facility and for the wonderful meal. Also, thanks to all who donated door prizes, the exhibitors for displaying their materials and Judy Amburgy for the delicious cake.

If you are interested in joining our Cancer Coalition or Diabetes Coalition, please call (606) 593-5109 or (606) 593-5181 for more information.

Educational programs of the Kentucky Cooperative Extension Service serve all people regardless of race, color, age, sex, religion, disability, or national origin.
